School Games Values Log Book

Welcome to our brand new School Games Values logbook. Over the course of the year, demonstrate all seven School Games Values to win a pin badge and a KESSP prize!

Treating everyone equally, supporting each other and working together to have fun and achieve. Celebrate each other's success and be a positive team player.

You've got to believe to achieve. Have the self-belief and confidence to succeed and reach your personal best.

Giving it 100 per cent. Put your heart and soul into the game and never give up. Passion makes you enter the race and passion makes you finish it.

Be honest with others and with yourself. Have the courage to do the right thing and what you know is right.

Show respect for the referee, for the opposition, for your team mates, for yourself and for the game. Accepting victory and defeat with grace, treating others politely and with understanding. Have respect every day, in every sport and for everyone.

Show your eco-friendly ideas through School Games events to help protect the environment. Work on your own or with a group to practise eco-friendly ideas.

Keep going no matter what. Determination is about the journey you go on to push yourself and achieve your dreams. Have the mental strength and self discipline to overcome obstacles, commit to your goals and keep working every day to become the very best you can be.
