Educational excellence for our City

Introduction

This year, all our events will have a specific intent – this will help guide schools to select the appropriate young people for each event.

KESSP will be showcasing some new events as well as covering activities that we know you love to take part in. Look out for our 4 symbols – they will tell you what type of event you will be attending.

These events focus on having fun, making new friends and developing fundamental skills.

These events are one off competitive events. Come and try new sports and activities and develop your skills!

These competitions have a league format and run over a number of weeks. Develop your tactics and play for our KESSP engraved trophies.

Leadership opportunities give all students the chance to lead, officiate and record in a variety of activities.
