# Introduction

All KESSP events are aimed at a specific group of young people with a targeted outcome. This should help guide schools to select the appropriate young people for each event. These categories align with Sport Birmingham.

KESSP will be showcasing some new events as well as covering activities that we know you love to take part in. Look out for our 3 symbols – they will tell you what type of event your young people will be attending.

## ENGAGE

These events aim to create a welcoming environment with a focus on giving young people a positive experience in accessible, non-competitive sport and physical activity. These activities will impact on physical, emotional and social wellbeing and positivity influence the likelihood of continued engagement both in school and extra-curricular time.

## INSPIRE

These events aim to raise the aspirations of young people. They have a focus on engagement, competition or a blend of both. We want young people to feel inspired and enthused and ready to make the most of the opportunities around them.

## COMPETE

These events are aimed at more able pupils and are run as traditional competition formats. Events will provide a pathway from a School Games Organiser to Birmingham City finals or local opportunities.

# School Games Values

All our events and festivals are based on the School Games Values. Pupils who display these values at events will be rewarded with a special school games pin badge. Each competition has been assigned a value, so look out for these at the event – there are 7 badges to collect!
