## Termly Report – Summer 2025

### Birmingham School Games Vision

“The Birmingham School Games will create happy, healthy and well-rounded individuals. We will develop opportunities for every young person to lead a healthy, active lifestyle and achieve their very best. We will be a catalyst for change that makes us proud to be part of Birmingham’s future.”

All our events are targeted, so that all young people can access our School Games opportunities. Events are categorised as Inspire, Engage, Compete or Develop.

INSPIRE

Inspire events aim to create a welcoming environment with a focus on giving young people a positive experience in accessible, non-competitive sport and physical activity.

ENGAGE

Engage events have a focus on engagement, competition or a blend of both. We want young people to feel inspired and enthused and ready to make the most of the opportunities around them.

COMPETE

Compete events are aimed at young people who want to compete with others. Win medals and test yourself against other schools!

DEVELOP

These events are aimed at young people who wish to develop their leadership skills. This can be generic leadership or sports specific delivery.
