

# Photography Consent Form

In accordance with our child protection policy, we will not permit photographs, video or other images of young people to be taken without consent. If the child is under 16, consent must be obtained from a parent / carer.

**Future Prospects** will take all steps to ensure these images are used solely for the purposes for which they are intended. Photographs on training days may be used on social media and for internal use. If you become aware that these images are being used inappropriately, please inform us immediately.
