Welcome to our Membership Offer 2026 - 27

The King Edward School Sport Partnership is pleased to introduce our brand-new membership offer for 2026-27. We are proud to work with our local schools, staff and external providers to give every young person access to high quality sports opportunities, whatever their background or circumstances.

As you will know, Primary School Sport Funding is being phased out after the Autumn Term in 2026, and this will inevitably provide challenges for all our schools to maintain the high provision of PE and School Sport across the partnership. Our membership offer this year reflects the changing landscape and will support schools to transition into the new PE and School Sport Partnerships which are due to commence in April 2027. With more flexibility than ever before, schools can elect to become members with or without our coaching packages. Our new Classic membership will give schools access to some of our most popular events.

We are eager to support all our schools in what we know will be a period of change. For schools who wish to pay for membership in the summer term of 2026, we are offering a 5% discount on all our coaching packages. As we move into a new way of working in the new year, our standard packages focus on upskilling teachers and supporting schools to continue to give young people opportunities in PE, School Sport and Physical Activity.

We very much hope that your school will consider working with us once again in 2026-27.

Helen

KESSP Event Categories

All our events and festivals are targeted at different pupils, allowing schools to give all their pupils access to the School Games. We specifically aim to impact positively on young people who attend our events, festivals and competitions.

ENGAGE

Create new friendships and have fun at our Engages festivals where young people can develop their fundamental movement skills.

INSPIRE

Explore different sports from around the world in our Inspire events. Test your own skills and develop your confidence in a wide range of sports and activities.

COMPETE

We know some young people love to compete! Come along to our Compete events to test your skills against other schools.

DEVELOP

Take part in our Develop events to build your leadership skills and put them into action. We love seeing young people reach their potential!

Our School Games offer is truly reflective of the young people in and around Aston. Focusing on skill development, leadership, providing opportunities to achieve 60 active minutes and personal development, our School Games offer aims to reach the hardest to reach pupils in our partnership.

Leadership Academy is now coming to your school! Access school onsite Play Leaders training for year 5+6. Our leadership programmes build personal skills, confidence and resilience and they are perfect for transition points in school.

Target 60 is a focused programme for young people in primary school to help and support them to achieve the Chief Medical Officer's guideline of 60 active minutes per day. Book your in-school session by buying into one of our membership packages.

Our 24-Hour Movement Model training focuses on how young people can be fit and healthy and develop a positive relationship with physical activity. Aimed at Year 5+6 pupils, this training takes place on your school site and challenges pupils to make healthy choices throughout life.

We know how important positive wellbeing is for young people. Why not train your pupils to become wellbeing ambassadors for your school? This training will be done on your school site and includes pupil and staff training.

Schools can opt for staff CPD packages this year with our silver and gold membership. Give your staff more confidence to deliver high quality PE through our training which can be after school, during the school day or as part of your staff training days. Our CPD is fully tailored to the needs of the school and its staff, so please get in touch to discuss your options!

Barclays Girls Football Partnership

Barclays Girls' Football School Partnerships by England Football (BGFSPs) is a nationwide scheme that aims to mainstream football in schools for girls. The partnership aims to give girls the best chance to experience football in the PE curriculum, as well as the opportunity to participate, lead and compete!

Disney Shooting Stars

All schools can access the Shooting Stars programme online for delivery in their school for KS1 and 2 pupils .

SEND Shooting Stars Festivals

We will be delivering Shooting Stars festivals next year, focusing on the fundamental skills in football.

Girls Football Festivals

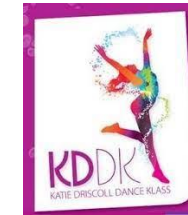

Come and join us for our girls' Spring and Summer football events!
