

SCHOOL GAMES

Termly Report – Summer 2026

Birmingham School Games Vision

“The Birmingham School Games will create happy, healthy and well-rounded individuals. We will develop opportunities for every young person to lead a healthy, active lifestyle and achieve their very best. We will be a catalyst for change that makes us proud to be part of Birmingham’s future.”

All our events are targeted, so that all young people can access our School Games opportunities. Events are categorised as Inspire, Engage, Compete or Develop.

Inspire events aim to create a welcoming environment with a focus on giving young people a positive experience in accessible, non-competitive sport and physical activity.

Engage events have a focus on engagement, competition or a blend of both. We want young people to feel inspired and enthused and ready to make the most of the opportunities around them.

Compete events are aimed at young people who want to compete with others. Win medals and test yourself against other schools!

These events are aimed at young people who wish to develop their leadership skills. This can be generic leadership or sports specific delivery.
