In pursuit of educational excellence for all

School Games Activities will be a mixture of virtual and physical competitions depending on government guidelines. As this is an ever changing picture, the delivery may be subject to change:

Virtual Competitions

- All school will have access to virtual School Games competitions as well as city wide opportunities to compete.

Physical Competitions

- All school will have access to physical School Games competitions as and when government guidelines permit that this is safe.

Monthly Leagues

- Access into the King Edwards monthly leagues; Basketball, Football, Boccia and Netball League

Additional Opportunities

We will be running a series of additional virtual competitions:

- Mutli-skills
- Archery
- Boccia
- Kurling
- Personal Best Challenges

Schools can choose an additional 2 sports for delivery within their own school as part of our KESSP Roadshow events.

Schools will have access to our Primary Sports Leaders Academy for 10 of their pupils.
