## KS2 SWIMMING

### How do we take part?

Year 5 / 6 pupils will have 10 minutes to swim as many widths as they can. Record the total number of widths completed by your pupils so you have one team score. Pupils can swim with a float or unaided.

### How do we register our results?

Staff will need to go to [www.sgochallenge.com](http://www.sgochallenge.com)  
- register your school by using the code : ASTON. You will need to use the password Teacher2020 to register. Once you have done this, simply enter the number of widths your pupils have completed in 10 minutes! There is no limit on the number of children that can take part!

# HOW DO I COMPLETE THE CHALLENGES?

### TYPE OF EVENT

Virtual

### EQUIPMENT

Swimming Pool, floats, stopwatch.

### ADAPTATIONS

Pupils can use a float if they wish.  
Any swimming stroke can be used to complete the challenge.

### LEADERSHIP

Can your young people:

- Count how many widths they complete?
  - Time a partner?
- Record the team score for their group?
- Act responsibly around the swimming pool?
